

Notice and Access Notice to Shareholders

Annual General Meeting of Shareholders to be held on June 12, 2019.

You are receiving this notice because Western Copper and Gold Corp. (the "Company") is using notice and access model ("Notice and Access") for the delivery of meeting materials to its shareholders in respect of its annual general meeting to be held on June 12, 2019 (the "Meeting").

Under Notice and Access, instead of receiving paper copies of the Company's management information circular (the "Circular") and other meeting materials (together, the "Meeting Materials"), shareholders are receiving this notice containing information on how to access the Meeting Materials electronically. Along with this notice, shareholders will receive a proxy or voting instruction form, as applicable, enabling them to vote at the Meeting.

The use of this alternative means of delivering meeting materials is more environmentally friendly and reduces the Company's printing and mailing costs. Shareholders with existing instructions on their account to receive printed materials will receive a printed copy of the Meeting Materials.
