

## Notice-and-Access Notification to Shareholders

### Annual General Meeting of Shareholders to be held on June 27, 2022

You are receiving this notice because Western Copper and Gold Corporation (the “**Company**”) is using the notice-and-access model (“**Notice-and-Access**”) for the delivery of meeting materials to its shareholders in respect of the Company’s Annual General Meeting to be held on June 27, 2022 (the “**Meeting**”).

Under Notice-and-Access, instead of receiving paper copies of the Company’s management information circular (the “**Circular**”), notice of meeting and other meeting materials (together, the “**Meeting Materials**”), shareholders are receiving this notice containing information on how to access the Meeting Materials electronically. Along with this notice, shareholders will receive a proxy or voting instruction form, as applicable, enabling them to vote at the Meeting. The use of this alternative means of delivering meeting materials is more environmentally friendly and reduces the Company’s printing and mailing costs. Shareholders with existing instructions on their account to receive printed materials will receive a printed copy of the Meeting Materials.

The Company will not use procedures known as “stratification” in relation to its use of Notice-and-Access in relation to the Meeting. Stratification occurs when a reporting issuer using Notice-and-Access provides a paper copy of the relevant information circular to some, but not all, shareholders with the notice package in relation to the relevant meeting.
